Percent satisfied with school-home relations	84.7%	86.6%	90.9%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2012–2013 school year at Harbison West Elementary School was an outstanding year. A commitment to providing a high quality education for each child in our school was evident by our student achievement gains on district MAP tests and state PASS tests. We were awarded the Gold Award for Closing the Achievement Gap by the State Department of Education.

Our students continue to achieve in many areas. Four students were recognized for their writing accomplishments through the District Superintendent's Writing contest, and many other students were recognized for their writing through various other contests both locally and across the state. The Escolares Academy presented the Dig It and Jukebox Jingle musicals. The 2nd and 3rd Grade Escolares students also participated in Continental Math and placed first in the district and state. Many of our students were chosen as art, poetry, and poster winners in various state and national competitions.

A strong focus on student achievement continues to be our top priority. All teachers continue to implement best practices for instruction with the aid of our strong instructional support team which includes a Response to Intervention Specialist, Math Coach, and a Technology Integration Specialist. Teachers focus on data analysis to make sound instructional decisions that best support student learning and instruction.

We strive to meet each child's individual needs at Harbison West Elementary School. Students in kindergarten through fifth grade work on their specific literacy needs through small group instruction with support of intervention teachers and trained paraprofessionals. All students continue to use the Compass Learning Odyssey Computer Lab to work on targeted, explicit instruction in mathematics and reading.

HWES provides leadership opportunities and after school activities for our students and families. Students can participate in the HWES Morning News Team, Handy Helpers, Safety Patrol, Super Recyclers, Student Council and Beta Club. After school opportunities include the HWES Cheerleaders, Extra Inning, Trash Can Band, Lego Robotics, and the Sewing Club. Students also participated in performances during PTO programs and family night events. Project SOAR and the Boys and Girls Club provide after school care for our students and families.

We promote family involvement through many planned events such as our Super Sunday Back to School Open House, Family Literacy and Math Nights, Family Movie Night, All Pro Dads, Moms Make a Difference, and Parenting Workshops and Book Clubs. Parents are also encouraged to volunteer in classrooms, chaperone field trips, participate in the Birthday Book Lunch, and participate in the Parent Teacher Organization.

The 2012-2013 school year has been a banner year at Harbison West Elementary School. Our dedicated staff continues to focus on student achievement and success. We ARE the Harbison Heroes.

Dr. Barbara Brockhard, Principal
Bunnie Ward, SIC Chairman
